
Form 1: Instructions to Juvenile Offenders

1. Cooperate with the juvenile probation or parole officer and answer all questions honestly.
2. Provide or authorize release of any records requested by the juvenile probation or parole officer. These may include legal, medical, psychological, substance abuse treatment, educational, military, employment, financial, juvenile court, or other records.
3. As a condition of supervision, the offender is subject to random urine testing for alcohol and drug usage at such times as he or she is ordered to submit to these by a juvenile probation or parole officer.
4. Be advised that failure or refusal to submit to such testing or tampering with a urine specimen should be considered the same as a "positive" test.
5. Any positive result can lead to revocation and incarceration or such lesser penalty as may be appropriate.
6. Inform the juvenile probation or parole officer of all arrests and convictions. Inform the juvenile probation or parole officer of any new arrests that occur prior to sentencing in this case.
